Subject: EMB1Z001 Final Office Action Due 08/27/05

Bernard,

I hope all is well. We received another office action on the above matter. We spoke late last year about this case. After you indicated that you were no longer interested in incurring fees regarding this matter, we offered to take on the expense of prosecution, etc., in exchange for a percentage of any royalties we can extract. I believe you were looking into whether Celoxica would be interested in such an arrangement.

In order to buy us time, we paid almost \$1KUSD in gov't fees, in addition to preparing a response to the last office action.

If you are interested in our offer, please let me know as soon as possible.

If not, and you still would like to proceed with prosecution, we require a \$3K retainer by 07/27/05. If we do not hear from you by 07/27/05 (or do not receive the retainer by such date), we will assume that you no longer want us to prosecute this matter and will allow it to go abandoned (after returning the file, and withdrawing our power of attorney).

I look forward to hearing from you.

Thanks,

Kevin
